

**Crooked Creek Indy
Partnerships in Beautification**

Agreement

Mission

Crooked Creek Indy is committed empower the community to achieve its desired quality of life.

Beautification Partnerships enhance quality of life through connecting individuals around a common goal of enhancement projects, plantings, green space improvements, façade improvements, cleaning and litter pick up plus education and implementation of sustainable practices.

Purpose

By drawing people together, the Partners for Beautification program can help us move toward an appealing, livable and well-managed community. Leveraging resource and educating on sustainable practices ensure good stewardship of our natural resources.

Partners agree to:

Keep property clean and tidy and enhance the area by:

- Picking up litter daily from property and surrounding public right of way.
- Remove graffiti as soon as possible (take photo first) and notify IMPD
- Report problems to MAC and Chair of committee
- Maintain mowed grass or sustainable landscaping.
- Utilize proper tree pruning, mulching and care techniques
- Sign up to help if you can on a Special committee; 4 beautification events each year
- Attend the CCIPiB community forums with other businesses, city personnel, neighborhoods and corporate volunteers for a unified plan of enhancement.
- Keep snow removed from pedestrian walkway bordering platted property/or contribute to a snow removal fund with others for removal during a fall of 4” or more.

By signing I agree that (name/org.) _____ will abide by the standards listed above.
